Comments on ADEQ draft permit 071717.docx

Hi David,

Attached is a summary of our evaluation of ADEQ's aquifer protection permit for the Excelsior Gunnison Copper Mine against the UIC Class III permit text. This comparison is based on the June 9, 2017 draft of the Class III UIC permit, updated where appropriate based on recent conversations with Excelsior.

A few of the more significant differences between the two permits include:

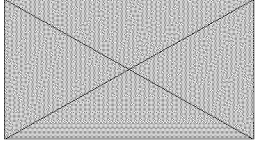

Ex. 5 - Deliberative Process

Please let me know if you have any questions or would like to discuss these findings.
